My Grandmas a Shape

Shifter

One day I [J] was going  
to my grandmas house for  
vacation. So I got packed  
and got into the car, and  
headed off. It was a very  
boring ride. [And I mean it!]

When I finally got there  
Grandma welcomed us in, and  
then Grandpa wa ket in after

Grandma walked out. But  
Grandpa was on a trip. I  
wonder how he got here so  
early? It's either he got fired  
or Grandmas a shape shifter!  
Pretty soon it was time for  
bed. I thought about it all  
through the night, but I still  
didn't get it

Duke Harris B 4-18-08  
The Lady with three heads  
As Nick Nickerson stepped  
in to the library he was  
looking at his family tree  
he found a map leading  
to the underworld. He  
decided to go home and  
call his friend Pete Peter  
son. He told his friend to  
come over, so Pete did.  
Both of them decided to

call a pro at under grand  
tunnels her name is barbarick  
barbara. So we told her  
where to take us. She agreed  
to do it for 2 Grand, Pete  
said yes, I said okay. we park-  
ed up and headed off  
to Mt. Shiffles. We started  
the descent into the vol-  
cano on sunday we had  
to miss the bishop coming  
to church, but we were

starting a adventure! This is  
going to be fun, Pete thought  
Nick went first, Pete went  
second barbarick barbara went  
third once they reached the  
bottom they saw a worm. it  
scared them half to death. they  
thought it was a flesh eating  
dragon, They got scared by  
almost every thing. But still they  
continued. They finally reached  
a deep abis at the bottom

of the cavern. They decided  
to take it in the morning.  
It was a cold and sleepless  
night. And then finally  
it was morning. They loved  
the little bit of light that  
creeped through the small  
hole in which they got in.  
through. They started to run out  
of food. Barbara Barbara  
called in some more it came  
in a Lamborghini they got to

keep the car. Not that  
we'll need it, said Nick  
and Pete together. Barbara  
B. said we could build a  
tunnelling machine out of a  
Lamborghini! so finally we  
reached the bottom.  
So they take a tunnel blah  
blah blah they find her blah  
blah blah they bag her blah  
blah blah they take her to  
a science lab blahblah blah they

study her blah blah blah  
they become billion ams  
blah blah blah!
